Dear Sir/Madam

INDUSTRY TRAINING/INTERNSHIP FOR SHAHID SYED ALI

On behalf of the Faculty of Science and Engineering (FOSE) at the University of Nottingham Malaysia (UNM), I am writing to seek your consideration and approval in offering an industry training or internship opportunity to the undergraduate student whose name is mentioned above.

The faculty is dedicated to delivering outstanding an educational experience to our students where industrial training is integrated into the programme curriculum. It is expected that our students will gain work-like experience through the industrial training and internship opportunities offered by companies.

I am pleased to recommend the student for a 12-week industry training or internship at your company. The industrial training or internship is expected to be held during the summer semester, which lasts from early June to the second week of September. Below are the student's details for your reference:

Name of Student :	Shahid Syed Ali
Student Number :	20713884
IC No. / Passport :	X9976884
Course of Study :	MEng Hons Mechatronic Eng
Year Enrolled :	02
Email Address :	ecyss4@nottingham.edu.my
Permanent Address :	#26 Second Floor Building #6527, 3621 As Sahrawi, Al Malaz, 12836Riyadh Province, Saudi Arabia

I thank you for agreeing to offer our student the opportunity to attach to your company. I hope that the student will make a valuable contribution to your company and gain meaningful insights about the real-world experience. Kindly send the notification of confirmation of industrial training placement directly to ecyss4@nottingham.edu.my.

Thank you for considering this request. Your support in providing practical learning experiences to our students is highly appreciated.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Steve Janssen', enclosed within a hand-drawn oval.

Prof Steve Janssen
Dean of Faculty of Science and Engineering
